COMPATIBLE WITH

Soft-close toilet seat and cover
801F02..2

Duplo WC L with AG valve (under window) 820mm high concealed cistern and frame for wall-hung WCs
890121010

Tura

Designed by Andreu Carulla, Tura is a complete bathroom collection shaped and inspired by architecture and the Mediterranean light. Tura is a game of volumes and voids, of light and shadows translated into elements for the bathroom. Innovation and sustainability can be found throughout the collection, from the design and technology to the use of recycled materials and plastic-free packaging.
